Following are the links where you may order the supplies.

Please read the following before you plan to buy the acrylic paints:

WHAT IS THE DIFFERENCE BETWEEN ARTIST GRADE/PROFESSIONAL PAINTS and STUDENT GRADE PAINTS:

THERE IS A BIG DIFFERENCE IN THE QUALITY OF THE COLOR BETWEEN ARTIST GRADE OR PROFESSIONAL PAINTS AND STUDENT GRADE PAINTS.

THE ARTIST QUALITY OR PROFESSIONAL PAINTS ARE MORE CONCENTRATED AND MUCH HIGHER IN PIGMENTS WITH VERY LESS BINDER. THAT IS WHY THEY LAST LONGER AND THE QUALITY IS SUPREME.

THE STUDENT QUALITY PAINTS ARE MIXED WITH LARGE AMOUNT OF BINDER AND VERY LESS AMOUNT OF PIGMENTS THAT IS WHY THEY ARE CHEAPER. ALSO, NOT ALL STUDENT QUALITY PAINTS USE LIGHTFAST PIGMENTS AND THE COLORS MAY FADE OVER TIME.

It is always better to buy the professional quality paints if you can afford.
